**NEWS RELEASE**

**STINA CLARIFIES NI 43-101 INFORMATION PERTAINING TO BISONI MCKAY  
TECHNICAL REPORT**

*As a result of a review by the British Columbia Securities Commission, we are issuing the following news release to clarify our disclosure*

Further to the news release dated October 29, 2015, the Company announces that it did not file the NI 43-101 technical report on the Company's Bisoni McKay vanadium property in North-Central Nevada originally dated October 23, 2015 (the "Technical Report") on SEDAR. The technical report that was on the Company's website has been taken down pending revisions.

The Company, on request of the British Columbia Securities Commission, will review the Technical Report and amend and or clarify where necessary to ensure NI 43-101 compliance. For example, the Company will investigate the disclosure of estimates in the Technical Report as they may not be compliant with NI 43-101. In addition, and further to the Company's news release dated October 29, 2015, please note that the mineral resource estimates mentioned within such news release, are not supported by a compliant NI 43-101 technical report and should not be relied on until supported by a compliant technical report.

The Company will also ensure that the Qualified Person (QP) for the Technical Report and related information is clearly identified.

The Company will also update all website information and other investor materials where necessary to reflect any changes to correlate to the Technical Report, and also will identify the Qualified Person (QP) on all such materials.

The Technical Report was authored by Ed Ullmer, BSc. Msc., Registered Professional Geologist in the states of Wyoming and Nebraska and AIPG, and Edwin H. Bentzen III, BSc., a SME Registered Member. Mr. Ullmer is an independent geologic consultant to the Company, and Mr. Bentzen III is an Associate at Resource Development Inc. Each Mr. Ullmer and Mr. Bentzen III fulfill the requirements of a qualified person as defined in NI 43-101.

For further information please contact the Company at 1-800-882-3213.

On behalf of the Board of Directors,
