NEWS RELEASE**Stina Resources Ltd. Announces Trading on the OTCQB**

September 12, 2017, Vancouver, Canada – Stina Resources Ltd. (“Stina” or the “Company”) (CSE:SQA) (OTCQB:STNUF) is pleased to announce that its common shares will commence trading on the OTCQB® Venture Market in the United States under the symbol “STNUF” on September 12, 2017.

“Admission to the OTCQB market is part of a long-term strategy to introduce the Company to a broader international audience,” said Brian Stecyk, President and CEO of Stina. “This provides us with a trading platform for current and future American investors as well as a means of increasing our international visibility.”

The OTCQB Venture Market is for early-stage and developing U.S. and international companies. To be eligible, companies must be current in their financial reporting, pass a minimum bid price test and undergo an annual company verification and management certification process. The OTCQB quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

Stina Resources Ltd. will continue to trade on the Canadian Securities Exchange (CSE) under its existing symbol “SQA”.

Stina is a vanadium resource company moving towards becoming a fully integrated producer of vanadium and vanadium electrolytes for the vanadium battery storage industry. The vanadium mineral resources are located in the Bisoni McKay and Bisoni Rio properties in Nevada.

On behalf of the Board of Directors,

Brian Stecyk
President, Chief Executive Officer, Director
